PREFACE: PROCEEDINGS OF THE 10TH INTERNATIONAL DENTISTRY SCIENTIFIC MEETING (IDSM) 2016

This proceeding contains papers presented in the 10th International Dentistry Scientific Meeting (IDSM) 2016, held in Campus Universitas Indonesia Depok, Indonesia, from October 29th-30th, 2016.

The purpose of the conference is to provide a forum for discussion on the dental research. The main speakers of the meeting came from Italy, Turkey and Malaysia. Short lecture speakers came from 6 different dental schools in Indonesia, and from various countries such as Japan, Taiwan, Malaysia, Thailand, and Vietnam.

Papers presented at the conference and included in the proceedings are intended to provide information to undergraduates and postgraduates students as well as general practitioners and researchers on current issues of dentistry. Each contributed paper was refereed before being accepted for publication in this proceeding. The papers were accepted for publication based on their interest, relevance, innovation and application to the oral health sciences.

Gratitude goes out to the referees and UI Proceedings on Health and Medicine team for their help in assembling the proceeding, and also special thanks to the Faculty of Dentistry and Directorate of Research & Community Services, Universitas Indonesia for their generous support.
